Dear Jeff:

It is my pleasure to inform you that Cedarburg High School has been selected to receive ACT's Red Quill Legacy Award for 2011. This is the first year for this recognition of excellence by the ACT Midwest Region. The Red Quill Legacy Award was created to honor educational professionals who have consistently demonstrated exemplary practices in analyzing data for responding to the needs of learners within their communities. Through your Red Quill recognition for a number of years, Cedarburg High School has clearly demonstrated dedication and focus in your efforts to provide all students with exceptional opportunities to succeed. You are very deserving to be among the select few being recognized as an inaugural recipient of ACT's Red Quill Legacy Award. Congratulations.

Your ACT Consultant, Phil Daniel, is prepared to continue in assisting you with your laudable efforts and will be contacting you soon to arrange a time to make a formal presentation of your Red Quill Legacy Award. Prior to your presentation date, a press release will be provided to area media outlets.

We appreciate the confidence you continue to place in ACT in helping toward the realization of your school improvement goals and success for all students. Indeed, quality partnerships such as this are essential for success in education. We look forward to our continuing work together.

Sincerely,
