**GUIDELINES:** To aid and assist Cedarburg High School in the promotion of all athletic programs through the funding of **sporting equipment, capital improvement projects, and uniforms** benefiting the student athletes of the Cedarburg High School

The Booster Club will work with the Athletic Director in discerning each proposed project. The typical question is not “Yes” or “No”, but instead, “Is it in the school budget or not?” In addition, the proposed project should have a minimum of five year useful life. If not, the Booster Club is committed to studying each request and report back to the requesting party.
