

<b>Standard</b>	<b>Needs Strengthening</b>	<b>Developing</b>	<b>Secure</b>	<b>Exemplary</b>
<b>Number and Operations in Base 10</b>	Unable to recognize and understand the value of digits in the tens and ones place to 120	Attempts to recognize and understands the value of digits in the tens and ones place to 120	Recognizes and understands the value of digits in the tens and ones place to 120	Recognizes and understands the value of digits in the ones, tens, hundreds, and thousands place
<b>Operations and Algebraic Thinking</b>	Unable to solve word problems using two digit numbers involving unknowns in all positions	Attempts to solve word problems using two digit numbers involving unknowns in all positions	Solves word problems using two digit numbers involving unknowns in all positions	Solves and explains word problems using two digit numbers involving unknowns in all positions
<b>Basic Addition Facts</b>	Solves addition facts to 20 with 59% accuracy or lower	Solves addition facts to 20 with 60-79% accuracy	Solves addition facts to 20 with 80-95% accuracy	Solves addition facts fluently to 20 with 96-100% accuracy
<b>Basic Subtraction Facts</b>	Solves subtraction facts using numbers up to 20 with 59% accuracy or lower	Solves subtraction facts using numbers up to 20 with 60-79% accuracy	Solves subtraction facts using numbers up to 20 with 80-95% accuracy	Solves subtraction facts fluently using numbers up to 20 with 96-100% accuracy
<b>Geometry</b>	Unable to identify and make equal shares or describe the shares using the words halves, fourths and quarters	Attempts to identify and make equal shares and describes the shares using the words halves, fourths and quarters	Able to identify and make equal shares and describes the shares using the words halves, fourths and quarters Understands that creating more equal shares makes smaller shares	Able to compare fractions
<b>Data</b>	Unable to collect and organize data	Attempts to collect and organize data to create tally charts and bar graphs Attempts to answer simple questions related to the data	Able to collect and organize data to create tally charts and bar graphs Answers simple questions related to the data	Independently collects, organizes, interprets, and explains data accurately Asks and answers questions comparing information
<b>Telling Time</b>	Unable to tell and write time to the hour and half hour	Attempts to tell and write time to the hour and half hour	Able to tell and write time to the hour and half hour	Able to solve problems using elapsed time
<b>Concepts of Money</b>	Unable to identify the penny, nickel, dime and quarter Unable to calculate and compare the values of pennies, nickels, dimes, and quarters up to a dollar	Identifies the penny, nickel, dime, and quarter Attempts to calculate and compare the values of pennies, nickels, dimes, and quarters to one dollar	Identifies and knows the values of a penny, nickel, dime, and quarter Calculates and compares the values of pennies, nickels, dimes, and quarters up to one dollar	Calculates and compares all coins and can make multiple combinations up to two dollars Able to make change from two dollars
