

WISCONSIN DEPARTMENT OF PUBLIC INSTRUCTION

A Proclamation

Whereas Through their dedicated efforts to ensure our children learn the knowledge and skills needed to be successful in college, careers, and life, Wisconsin teachers are vital in their communities and in building the future; and

Whereas Because of the increasing diversity of students, teachers must be constantly learning so they adapt to meet the ever-changing needs of young people in our schools; and

Whereas Teachers play a crucial role in shaping our children into the people they will become, supporting them through their youth and teaching lessons that have an impact that will carry through life; and

Whereas The teaching profession benefits from educators who are empowered to lead within and beyond the classroom, allowing them to best prepare young people to become contributing members of our community, thereby strengthening our democracy; and

Whereas There are thousands of dedicated educators working in Wisconsin public schools, putting in countless hours and extra effort to help students achieve, preparing them for further education, the workforce, and their civic duties;

Therefore, be it resolved that May 7-11, 2018, be proclaimed Teacher Appreciation Week, a time to recognize the efforts of educators in our state, encourage the young people who are training to become tomorrow's teachers, and thank the many teachers who work with children in Wisconsin public schools.
