

COMMON SENSE

Cedarburg High School W68 N611 Evergreen Blvd. Cedarburg, WI 53012 Volume 31, No. 1 August 2017

CHS newspaper to be delivered to your mailbox!

\$10 per year

The Cedarburg High School student newspaper, *Common Sense*, is published four times per school year and is given to all high school students and districtwide staff.

Knowing parents, grandparents and community residents may not easily have the opportunity to read the newspaper, we offer an annual subscription to the newspaper, which will be mailed to your home. The \$10 subscription fee covers the cost of printing and postage.

Each issue contains news stories, features, reviews and opinion pieces. Students are responsible for all writing, editing and page designing, which involves working many hours after school during deadline weeks.

Over the past 17 years, *Common Sense* has earned numerous awards at the Northeastern Wisconsin Scholastic Press Association (NEWSPA) Journalism Conference, which is held at UW-Oshkosh each spring.

The mission of *Common Sense* is to inform, persuade and entertain readers while providing a journalistic experience for students.

Common Sense relies on subscriptions and advertising for financial support since we do not receive funding from the school district. Therefore, your donations are key to our existence. We welcome your financial support—as a subscriber and as an advertiser. It may even be tax-deductible. If you are interested in placing an advertisement, please read the following page for more information. Your donation will be used to continue offering students an opportunity to use their journalistic skills.

Thank you for your support of *Common Sense*!
