

# All Parents, Alumni and anyone who enjoys the Arts are invited to join FAB—Fine Arts Boosters

The Fine Arts Boosters (FAB) leverage the combined talents of CHS parents and interested community members to support band, choir, drama and visual arts at CHS.

## Membership fees

**\$25 annual membership**

**\$100 lifetime membership** (*A good idea for families with multiple children*)

### **With support from CHS parents and community members we are proud to:**

- Award grants to CHS fine arts departments
- Fund scholarships for high school students attending summer camps focused on the arts
- Provide monetary gifts to the CHS Fine Arts Departments
- Underwrite two Cedarburg Community Scholarship Fund (CCSF) scholarships for graduating fine art students
- Support the Permanent Student Art display at Cedarburg High School
- We sponsor the annual Art in the Burg art fair, the Playbills for all band, choir and drama performances, our Fine Arts newsletter—which is published monthly, and many more student support activities.

FAB meetings are held monthly and all fine arts parents are welcome to attend. As we support the activities of our talented children, volunteering becomes an important role for FAB. Opportunities will be announced in FAB's newsletter, on our website and via e-mail notices to members. All are welcome and encouraged to attend meetings and volunteer, however, it is NOT a requirement for membership.

The Fine Arts Boosters is 501(c)3 organization. All your donations are fully deductible. We are able to accept matching funds from your employers for any eligible donations.
